CASSATT COLORS VICTORIOUS

VOL. XVII. NO. 109.

PROMINENT PENNSYLVANIA TURFMAN SCORES DOUBLE AT OLD PIMLICO.

Spring Board Carries Famous Red, White and Blue to Victory in the Clabaugh Memorial Cup-Emperor William Breaks Down.

Baltimore, Md., May 6.—The colors of Capt, E. B. Cassatt were conspicuous at Pimlico this afternoon. The famous red, white and blue was carried to victory in the Clabaugh Memorial Cup and again in the sixth race. The Clabaugh is one of the important events of the Pimlico spring meeting and attracts much attention from local horsemen, the conditions of the race calling for horses bred in Pennsylvania, Maryland or Virginia. It is a sort of a breeders' futurity, and the Maryland Jockey Club presents the breeder of the winner with a handsome piece of plate.

Captain Cassatt started three in the race, two of which were by his own stallion, Aeronaut, and they fuished first and second, Spring Board beating his stable companion. Be, by four lengths. Spring Board had shown himself to be a likely sort of a colt and in today's race he made his company look cheap by winning in runaway fashion. Layminster was the other Cassatt horse to win. He beat The Squire a neck.

Besides the Clabaugh Memorial Cup the club pre-

by winning in runaway fashion. Layminster was the other Cassatt horse to win. He beat The Squire a neck.

Besides the Clabaugh Memorial Cup the club provided as features the Baltimore Cup, for gentlemen riders, and the Mount Washington Steeplechase. The former went to El Oro, which won easily under a clever ride by Mr. A. Blute. Ticket of Leave, favorite in the steeplechase, fell heavily at the "hoodoo" jump, which is now located directly in front of the grandstand. There have been more accidents at this fence than at any other part of the course.

After Danfield's victory in the second race he was bid up \$500 by a stranger. Willie Martin protected the horse for his employer and bid him in at \$1,005. He then retallated by claiming Lad of Langden, which finished second, for \$955.

Emperor William, favorite in the seventh race and the medium of heavy support throughout the country, broke down during the running and jockey bunn was forced to dismount after the finish. There was a hot tip out on Creston in the Baltimore Cup. Tommy Wright was to have ridden him, but his people failed to report to the paddock judge, and the horse was scratched, much to their chagrin.

Uncle Henry Harrison, a two-year-old in Captain & B. Cassatt's stable, dropped dead on the track this morning. The youngster was deformed in that he was so swaybacked that it was found necessary to have a special saddle made for him.

Steeplechase jockey Jimmy Lynch was the victim of a nasty fall this morning while schooling The Profit, a hunter trained by Gwynn Tompkins. Lynch was taken to the hospital in an unconscious condition and late report had it that he was in a semi-comarcose condition.

Starter A. B. Dade was notified by George M. Hendrie today of his appointment as starter for the meeting to be held at the Windsor track this season.

E. C. Smith, racing secretary of the Concy Island Jockey Club, has been engaged to act as presiding

meeting to be field at the Windsor track this season.

E. C. Smith, racing secretary of the Coney Island Jockey Club, has been engaged to act as presiding judge at the meeting to be given at Oklahoma City this year. The meeting will begin June 13 and continue to July 4.

The litigation over the ownership of the horses Hoffman and Ten Paces has finally been settled. The court awarded them to Dr. Fred W. Ash. The latter has leased them to Matt Dooley, who will race them in his name and colors during the summer, Albert Simons has sold Van Den to R. G. Martin, Two new track records were recorded during the afternoon, Fumeur reducing the record for four and a half furlongs in the opening dash and Selectus setting a new mark for the two-miles steeplechase course.

CONVICTION GROWS THAT KENTUCKY DERBY IS AN OPEN RACE

CHICAGO, SUNDAY, MAY 7, 1911.

Lexington, Ky., May 6.—Until Round the World ran so disappointingly here Thursday, there werthousands of people in all parts of the country who believed that tradition this year would be shattered and that on Saturday next a filly would be returned the winner of the thirty-seventh running of the Kentucky Peoply at Churchill Downs. There is yet a possibility that this daughter of Lackford and Nellie Bly will win the great Kentucky race, but that possibility seems so unlikely that many conservative horsemen and turf followers have eliminated her from consideration and are concentrating their attention upon the relative chances of Meridian, Colston and Governor Gray.

This triumwrate, after the elimination of the winner of the Juarez Derby, are now generally regarded in the public estimation as entitled, on past performances, present appearances and condition and recent running in trials or races, to first, second and third rank. But the rub comes in the process of separation. There are many who will favor Governor Gray partially upon his Jacksonville Derby victory and partially upon the knowledge that he was highly tried as a yearling, worked a faster three-quarters than any two-year-old ever trained over the Lexington track, took sick before had a chance to make his intended debut in the Breeders' Futurity here last spring, and when he recovered won under conditions that at once stamped him as a good race horse.

last spring, and when he recovered won under conditions that at once stamped him as a good race horse.

Others will give their support to Colston because of the fact that his present owner and trainer, for whom the colt was named, bought him at Fred Forsythe's dispersal sale last September with a full knowledge of his quality and merit; with the announced belief that he could win the Derby with him, and further because Colston has worked better than any of the eligibles now at Louisville and will go to the post with the maiden allowance of 12 pounds, making his weight 110 pounds, a considerable advantage in a race at one mile and a quarter.

There are still others who believe that Richard F. Carman's Meridian, son of Broomstick and Sue Smith, purchased last August from C. L. Harrison after his good race against Novelty, Iron Mask, Naushon, Whist and Zeus in the Saratoga Special, is the best horse among the Derby eligibles and that he will win. Meridian was wintered at Belmont Park and there were good reports from that quarter of his early spring trials. He arrived in Lexington looking to be in excellent bodily condition, though he had a touch of the shipping fever. He scon walked this out of his system, however, and has been galloping well this week.

walked this out of his system, however, and his been galloping well this week,

Louisville, Ky., May 6.—In its thirty-seven years' history, the Kentucky Derby seldom has been regarded as a one-sided race, nor is it so regarded this season. The Derby event will be decided next Saturday at Churchii Downs. Aside from the situation growing out of the brilliant racing of Roundthe World at Juarez, Mexico, and Governor Gray's victory in the American Derby at Jacksonville, an element of uncertainty attaches to the outcome this spring. The record of the race shows that it has been marked by numerous surprises, and its coming renewal may Turnish another.

In the first Derby, Chesapeake, looked upon as a certain winner, and with the great rider Bob Swin upon his back, finished outside of the money. Aristides, his underrated stable companion, won the race from the long-shots Volcano and Verdigris. In 1878 so sure was the late Major B. G. Thomas that his colt Himyar, would win the Derby that he told the starter not to break up a send-off if his colt was straight, since it made no difference how he got off—he would win anyway. But Day Star beat him. The distance then was one mile and a half and the time was 2:37½, the record up to that date. In 1880 Kimball was the warmest kind of a first choice. Fonso easily defeated him. In 1882 came another upset when Apollo beat Runnymede, a 1 to 3 shot. Jim Gore was a hot tip in 1887. The Derby that season was won by Montrose, at 20 to 1 in the betting. In 1888 Macbeth II, defeated Gallifet, which was also a top-heavy favorite. It was in 1880 that begreatest surprise in the history of the Derby occurred. Proctor Knott, the first Futurity winner, and a 1 to 3 choice in the Kenjucky Derby, went down to defeat, conquered by the 10 to 1 chance, Spokane. That was the fastest Derby ever ran at the mile and a half distance. The time was 2:344. Proctor Knott, the first Futurity winner, and a 1 to 3 choice in the Kenjucky Derby went on the star of the mile and a half distance. The time was 2:345

Erella—Half mile in 502.

G. M. Miller—Half mile in 52. Has all his speed and is at his best.

Grenida—Half mile in 52. Coming around nicely to his good form.

Halleck—Three-quarters in 1:15\frac{1}{2}. Has plenty of speed.

Hammon Pass—Three-quarters in 1:16. Shows improvement.

Upsets came in the Kentucky Derbys of 1897 and 1898. Typhoon II., in 1897, defeated the mighty Ornament. The next year Plaudit finished in front of the hot favorite Leiber Karl. All Tennessee had backed Leiber Karl. Outsiders victorious in the race in more recent years were as follows Judge Himes, in 1903, 10 to 1 in the betting; Elwood, at 15 to 1, in 1894; Pink Star, at 7 to 1, in 1907; Stonestreet, at 15 to 1, in 1908.

at 15 to 1, in 1908,

Reviewing the surprises in the Derby, it is not strange that calculators without sentiment regard the race with uncertainty. This can be attributed to the fact that, in recent years, there have been few races for three-year-olds before the running of the Derby that are at as long a distance as one mile and a quarter. Opportunities are scant for discovering their ability to go the route. In public trials three-year-olds have been known to work flashily at the distance, but when asked to race with horses have lamentably failed. So it is that the question

haunts the supporters of the various eligibles: "Can the horse go the distance?"

This spring Governor Gray is the only Kentucky Derby eligible that has gone one mile and a quarter in a race. Owing to this fact many pin thier faith upon his ability to win. However, none of the other sligibles has been called upon to go this distance in an actual race. Round the World has won at a mile and one-cighth, the longest distance she has been sent in a race. Beach Sand and Jabot have both won at a mile, the limit of the route they have been asked to go. Colston, Exemplar and Sir Dawn have all worked the full Derby route speedily.

Meridian, as a two-year-old, won as far as he was asked to go. Mud Sill and Colonel Hogan have both met all of the requirements of their trainers in trials at either a mile or a mile and one-cighth. Colston and Ramazan are-others that have worked the mile and one-quarter creditably.

The conviction is growing that the 1911 Kentucky Derby is not going to be a two-horse struggle; that is, Round the World and Governor Gray will not be the only two contenders. It looks now as if one of the largest fields in the history of the Derby will face Starter Mars Cassidy. Hardly an owner of an eligible has as yet declared his intention not to try for the \$6,000 prize. Rain or shine, a big field is almost assured. Notwithstanding Governor Gray's supposed dislike for heavy going, Capt, J. T. Will lams will send him to the post for the Derby. Captain Williams owned Ram's Horn, which great tracer did not favor muddy going, but still the Captain sent the horse to the post in the 1905 Derby, which was won by Agile.

The improved condition of the Downs course affords assurance that no matter if it rains only a few hours before the time for running the Derby it will be in good condition for the race. So perfect is the drainage system and so much care has been employed that unless there is a deluge the starters will make good time. If the track is fast it is likely that the Derby record will be shattered and that t

her trainer, says she fancies a heavy track none too well.

The good horse Pinkola, winner of the Latonia Derby and Empire City Handicap in 1908, is thought to be dying of lung fever at Churchill Downs. Up to two days ago the horse was training better than at any time since he was a three-year-old, but his condition now is precarious. His owner. Ed Alvey, recently lost the valuable horse Friend Harry from a similar cause. Mr. Alvey's only other racer is Howdy Howdy.

Having decided not to ship Colston to Lexington to run in the Canden Handicap today, trainer Raleigh Coiston worked him the full Derby course of one mile and a quarter in 2:11\(\frac{1}{2}\). He appeared to be running so easily that it was the general opinion of all horsemen who saw the trial that he could easily have worked in 2:08 or better. The fractionals were: 13, 25\(\frac{1}{2}\), 38, 51\(\frac{1}{2}\), 12, 17\(\frac{1}{2}\), 131\(\frac{1}{2}\), 155\(\frac{1}{2}\). He worked the last mile in 1:44 and the last mile and an eighth in 1:55. He came out of the work in good condition and without drawing a long breath.

Colonel Hogan, the Henderson & Hogan Derby candidate, was sent five-eighths in 1:07, going the first quarter in 26\(\frac{1}{2}\), three-eighths in 1:07, going the first quarter decently and the way. The only other eligibles to the race to work today were the McManus candidates. Tay Pay and Star O'Ryan, which cantered a half mile in 52, running the first quarter in 24\(\frac{1}{2}\) and three-eighths in 1:02 and the slowest of the watchers held on her registered 1:02\(\frac{1}{2}\). She went the first eighth in 12, the quarter in 23\(\frac{1}{2}\), three-eighths in 1:02, the dust held in 150. Fractionals: 25\(\frac{1}{2}\), the half in 48\(\frac{1}{2}\) and four and a half furlongs in 54\(\frac{1}{2}\).

Other work-outs were as follows;

Angelus—Half mile in 50. Fractionals; 25\(\frac{1}{6}\),

Canopian—Three-quarters in 1:23, cantering, Fractionals; 27, 40\(\frac{1}{6}\), 53\(\frac{1}{6}\), 106\(\frac{1}{6}\). Looks well.

Mary Lee Johnson—Quarter in 25\(\frac{1}{6}\), easily.

Nethermost—Three-quarters in 1:19. Fractionals: 26\(\frac{1}{6}\), 39\(\frac{1}{6}\), 52\(\frac{1}{6}\), tooks good and seems to have his speed.

CITY PARK TRACK TO CHANGE HANDS.

New Orleans, La., May 6.—W. C. Castell, representing a local realty syndicate, has offered the New Orleans Jockey Club, owner of the beautiful City Park race track, \$25,000 for the property. At a meeting of the stockholders last night, lasting until early this morning, the proposition was ten tatively accepted, but it was decided to appoint a liquidating committee, which was named as follows: Samuel F. Heastlp, president of the club, chairman; C. H. Rice and Eugene Benhler. Upon advice of the attorney, Alex Brian, it was decided that the affairs of the club must be placed in liquidation before an offer to sell the property could be accepted.

Mr. Belmont has made thirty entries, while Mr. Hildreth names eighty in the various events to which they may be eligible. Among the latter may be named Fitz Herbert, Joe Madden, Novelty, Firestone, Hampton Court, Zeus, Eddie Dugan and King James. In fact, the subscriptions of Mr, Hildreth embrace his entire string of cracks, In addition to increasing the value of all the Windsor stakes, with one exception, the overnight purses will be richer than they have ever been.

DENNIS STAFFORD A SURPRISE AT OGDEN.

Ogden, Utah, May 6.—An especially attractive card drew the largest attendance of the meeting to the Fair Grounds today. The feature of the afternoon was a handicap at three-quarters of a mile, in which an evenly matched field of seven went to the post. The result of the race was a surprise to the public. They had entirely overlooked Dennis Stafford in their calculations, and he won easily. The defeat of five of the six public choices made the day a most disastrous one for the public, and the layers recouped much of their recent losses.

Jockev Bevan signalized his local debut by winning with his two mounts. His success on Domining with his two mounts is success on Domining the starting of James Haley is attracting favorable attention, his work being excellent.

the weather, the attendance and the betting—this day, the seventh of the Kentucky Association's spring meeting, was one of the greatest in the long history of the famous old Lexington course. Cerbeen a larger or more representative crowd than that which filled every available inch of the grandstand and clubhouse, swarmed the betting ring, and congested the paddock and walks and even overflowed to the infield. The betting was the heaviest since the parl-mutuels have been in operation here and the seven machines were not sufficient to handle for speculation, particularly on the third and fourth races. The weather was perfect and the track was in its very best condition, which accounted for two new records that were made.

The feature of the splendid card was the Camden Handicap, for three-year-olds and over, at one mile and a quarter, named in honor of Johnson N. Cam-Kentucky State Racing Commission, who added \$1.000 to the event, making its gross value with four starters today \$2.330, in addition to the handsome \$250 silver loving cup that was the gift of the Kentucky Association to the gware of the winner. Of the six that were carded to start Cherryola and Jacksonville and a prominent candidate for the Kentucky Derby, to the be run at Louisville next Saturday, declined the issue, leaving only four to 50 to the post, with Bonnic Kelso, the top weight, most in esteem over Joe Morris, with Booka Boola and Console the outsiders. The public's estimate of their ability was well sustained, for the quarter in 2.04, clipping two seconds from the track record for the distance. But aside from his own stable connections there were few who expected, however much they believed in him, that the six-year-old son of Vertery and Thandauch of the proper start of the proper start was the proper start of the start merital proper start was the proper start of the distance. The public's large and the superior of the distance in 1:12. Meridian was sent on an extra quarter in 2.04, clipping two seconds from the word in the record of th

The disappointing showing of Joe Knight was a severe upset for the smart brigade, he being accounted one of the best betting propositions of the afternoon.

Barney Schreiber stated today that unless there is a revival of racing at New York or Chicago he would ship a consignment of broodmares to Melbourne, Australia, to be disposed of. They will be sent in charge of Dr. Leach. Irving H. Wheatcroft, owner of the St. James Stud, has also anounced his intention of sending a band of broodmares at the same time and both consignments will likely number about 100 head.

Governor Gray's trial this morning for the Kentucky Derby was a satisfactory one to trainer Williams. Many other trainers who witnessed the colt's work aver that he could have run the first mile in 1:39 had he been urged to do so.

Governor Gray figured this morning in the most sensational trial to the credit of any Kentucky Derby eligible. With 130 pounds up he worked a mile in 1:44 and was pulled up a mile and an eighth in 1:563. His fractional time was 12, 24, 494. 1:148.

LEXINGTON MEETING A GREAT SUCCESS.

Lexington, Ky., May 6.—The racing here this spring has been of a high order and presages excellent story and colorish and Latonia. Some excellent two-year-olds are showing up and as the season progresses there will be more of them. In a racing way this spring period is certain to prove the greatest in the history of the turf in Kentucky. During the first four days here the weather was quite unfavorable, rain followed by a cold wave being the order, yet the attendance has been remarkably good. The out-of-town patronage has been especially good, there being more visitors to the city from a distance than probably in any other spring in twenty-five years. The meeting is to conclude on Thursday, giving everybody an opportunity to get to Louisville on Friday and be settled for the opening at the Downs on Saturday.

With The Manager, King Broomstick, Joe Knight, Tommie Thompson, Practorian, Buckborn, Catula, Bachelor Girl, Bonanza, Limousine, True Blue, Nancy Grater, Beautiful, Robert and Curtain Call as probable starters, the Breeders' Futurity, which is to be run here next Tuesday, is an especially attribute race and will draw a large crowd value (Kentucky Association course. The recent value of the race is \$6,15. will make if the richest stake of the spring in Kentucky, and it is coveted by every man who owns an eligible. The Manager won so convincingly Thursday that he is almost certain to go to the post favorite, irrespective of the performances of Tommie Thompson and Joe Knight in the south. King Broomstick will have some support. There is no stable of horses at this track with brighter prospects than that of Richard F. Carman. All of his horses are in excellent bodily condition, showing the advantages of a winter's rest and good treatment, and they are practically all ready for the season's work. Those at Louisville are said to compare with those here in appearance, but it is said that they are not quite as forward. It would seem that with such a string of horses as he possesses, and with the services of so goo

St. Bass, Harry Giddings' Bassetlaw colt. went a mile today in 1:45, and finished the mile and a quarter, the Plate distance, in 2:14. The Meddler five-veered Detective worked with him a shade went a mile today in 1:45. and finished the mile and a quarter, the Plate distance, in 2:14. The Meddler five-year-old, Detective, worked with him a shade faster. Powderman and Legislator, from the Valley Farm Stable, did a mile in 1:46. The latter was pretty straight, but Powderman was only cantering. He looks like the best in the Plate and will improve, while St. Bass is about ready. The Searam pair, Jane Shore and Havrock, had their first work-out since coming down from Waterloo. Their mile was in 1:48, handily. The Thorneliffe Farm representative, Sanderling, worked yesterday in 1:46. Miss Martimas, the Kirkfield Stable's banner bearer, pleased the critics by doing a mile in 1:47% and finishing the mile and a quarter in 2:16%. A few years ago that was almost good enough to win the Plate, and these horses, except St. Bass, are still two weeks from a race.

If you would like to get this kind of information a few times each week-absolutely free -and win each time a big bet-you can do so by giving me a fair deal. All I ask for this valuable information, which you could not purchase for money, is to send me the day after the race the winnings of a Five Dollar Bet. I know of a horse that will win at Pimlico THURSDAY, MAY 11, which should be better than Bouncer, 8 to 1, can have the horse sent to you ABSOLUTELY FREE on THURSDAY if you will promise to send me the day after the race the profits of a Five Dollar Bet. ROBERT MILLS,

Room 503, 105 Chambers Street, New York City.

On Wednesday,

May 10. I expect to be able to furnish to honest bettors only, one of the best racing propositions of the season. The price, from what I understand, will be good and the source and connections could not be stronger. All arrangements are complete and the less said in advance concerning a good thing the better. Results will speak. I want honest people only, those who promise to remit the next morning the profits of a five dollar bet. This way of doing business is co-operative. I cannot maintain the expense unless I can depend on my people making good and no second telegram is ever sent out unless you make good for the first winner.

Write me today or tomorrow and telegram will reach you by eleven o'clock Wednesday morning. You can back this one heavily with safety. Enough said.

A SUCCESSFUL HANDBOOK SYSTEM

I have been studying and playing the races for the past ten years, and have never found a system that would beat the handbook like the one I have worked out. It takes but a minute's time with the entries in the Form to find a horse or horses that call for a play. At Jamestown there were twelve winners, ten losers and five scratches. I will give date, race and horses of all that called for a bet except scratches. Average odds, taking the opening and closing, was \$3.05, making a net win of \$26.65 on \$1. Send me one dollar and a self-addressed envelope and I will send you my system by return mail and if you find that I have misrepresented one thing I will return your money.

Won"A New

"Eureka!" "Eureka!" Wouldn't you shout "Eureka" if you were "Sure" you had a "Fortune" within your grasp? This "Ad." will be read with much interest by my many friends who know of the years I have devoted to this work. I now announce that the "Victory" I have always hoped to achieve has at last been more than realized. I have now found after years of persistent study a "simple" and practical rule that will bring "Joy" to the hearts of all "Handbook Players" who are seeking "Absolute Independence" playing the races with small capital. "This New System" is entirely a "New Idea" and a "Practical Winning Idea." Men who play the "Handbooks" for "Profit" want the "Best Obtainable Information" and that is exactly what I have to offer you. I have named this new system "The New Triumph" and that is a proper name for it. It shows you how to take the "Entries" and instantly pick a XXX Special Bet every day (and this new winning system never gives mere than (3) bets any day) and never but "One Horse" in any race, and it picks good-priced horses, too (not favorites). "I Guarantee" to refund your money if you do not find The New Triumph System "A Winner" all the year around. It is strictly a "Flat Bet Handbook System," and for "Simplicity" and "Winning Regularity" I have never lefore seen anything like it in my life. "I Guarantee" you can play this system the day you get it, and it's for "Pari-Muthel" as well as regular betting, and there are no "Ifs" or "Ands" about it, and you can play it "Successfully" with just as little capital as desired. I have made the price of The New Triumph System \$1 have made the price of The New Triumph System \$1 have not prive tetting, and there are no "Ifs" or "Ands" about it, and you can play it "Successfully" with just as little capital as desired.
